

Music License Agreement

Product: 8-bit SFX & UI Sounds

Author: GALO Music

Date: May 10, 2026

1. Grant of License

The Author grants the Buyer a non-exclusive, perpetual, world-wide license to use the musical tracks included in this pack for commercial and non-commercial projects.

2. Permitted Uses

Synchronization: You may use the music in video games, trailers, films, YouTube videos, and advertisements.

Editing: You may loop, fade, or cut the tracks to fit your project's needs.

Distribution: You may distribute the music as part of a larger project (e.g., inside a game's build).

3. Restrictions

No Resale: You cannot resell, sub-license, or redistribute the music tracks as standalone files, even if modified.

No Content ID: You may not register these tracks in any "Content ID" or "Copyright Fingerprint" system (like YouTube Content ID or Spotify), as this would interfere with other licensees' rights.

Claiming Authorship: You cannot claim to be the original creator of the music.

4. Attribution (Optional)

Attribution is not required but is greatly appreciated. If you choose to credit the author, please use:
